Bee/Wasp Exterior Treatment

Date: _____

Apartment: _____

Dear Resident:

Pronto Pest will be entering your apt. on the following date _____ to treat for Bees/Wasp.

To ensure the best treatment results for Bees/Wasp the resident must cooperate in the preparation of their apartment for treatment.

The resident must:

- 1.** ALL WINDOWS SHOULD BE CLOSED DURING TREATMENT.
- 2.** Patio furniture and potted flowers must be moved away from patio or porch to have access where the bees/wasp are located.
- 3.** Outside pets should be kept away over 50 feet from the house during treatment.
- 4.** Keep children and pets away from the outside treated areas.
- 5.** **NOT SELF TREAT IN ANY MEANS.**

After Care:

It is normal to see an activity after treatment due to the bees/wasp behavior and looking for their nest. Please allow a given time for the treatment to work. If the activity persists, please inform your management.
